2 April 2015

Dear Parents/Carers,

I am writing to you seeking your assistance in ensuring that your child attends school in the correct school uniform.

As you are aware in 2015 we introduced our new student uniform. This was the result of a two year process led by our P&C Association, of consulting students, staff, parent/carers and our wider community. Information about our new uniform is published on the back of this letter.

Students in Year 7 and 11 are required to attend school with the new student uniform. Students in other years may still wear the previous uniform if there is still wear left in it. Students in Years 8, 9, 10 and 12 may also attend in the new student uniform; however, we ask that the two not be mixed. It’s either one or the other.

We also introduced a sport uniform that students may wear on Tuesdays only and for PE lessons. The sport uniform (striped shorts and white top) is not to be worn on other days and it is not an alternative to the everyday student uniform.

Students that continue to attend school without wearing the correct school uniform, will be placed on detention. Parents/carers experiencing financial difficulties with acquiring the uniform are encouraged to contact the school to discuss the issue.

We have had overwhelming support from students, staff, parents and the community for our new student uniform and we sincerely hope that you will support the school in ensuring that students always attend school in the correct school attire.

Yours sincerely,

K. Rakiposki
Principal
