PRINCIPALS MESSAGE
We have come to the end of another term. There have been many activities, events, excursions, visits from our school community partners and future Shoalhaven High School students and parents. These activities and events supplement the academic work students engage in in classrooms and are part of the comprehensive education that we provide our students at our school.

We had a very successful Partners Morning Tea a fortnight ago. This is an annual event that recognises and celebrates the contribution of our school partners in improving students learning outcomes. At the same time, we also inducted students to the 2015 Shoalhaven High School Student Representative Council. I would like to thank our P&C, Ms Rosskelly, Ms Lloyd and our Hospitality students for their efforts in making this event such a huge success.

Close the Gap is a national strategy focussed on education and health equity for Indigenous Australians. This year Shoalhaven High School was involved by gathering signatures for a national pledge and painting a collaborative mural. I would like to thank Felicity Paulsen and staff of our HSIE faculty, Lisa Horgan and our Aboriginal Education Officers for their efforts.

Communication between the school and home is of upmost importance. Please take time to notify the school office of any changes to your postal address, email address or phone numbers. Likewise, if there are things the school needs to be aware of, such as a student’s medical condition, please notify the school as soon as possible.

I wish all our students, staff, parents and carers a safe and enjoyable term break and look forward to a very productive Term 2.
