Principals Message

Welcome back to Term 2. I trust that all staff and students had a safe and enjoyable break.

We began the term with a professional development day where staff engaged in writing workshops to improve their students' writing and learning outcomes.

On Wednesday we held our Anzac commemoration. This is an annual event at our school; however, this year was particularly special as it marked the 100th anniversary of those who landed on the beaches at Gallipoli at dawn on April 25, 1915. Thank you to all staff that were involved in making this a very special event at our school.

We were also well represented with staff and students attending dawn services throughout our region. Thank you to all who were present and proudly representing our school.

In recent times I have signed a number of "N" warning letters to advise parents of students not attempting or completing assessment tasks. It is important that parents discuss this with their child to ensure that students meet their course outcomes. Parents should contact the class teacher to discuss the issue and look at strategies to support their child.

This term Mr Rees will be the Deputy Principal who will look after students in Years 8 and 9. Ms Lindsay will look after Years 10 and 12 and Mrs McDonald Years 7 and 11.

I am looking forward to a productive Term 2.

Kem Rakiposki, Principal
