Principal's Message
There has been a lot of activity at our school over the past couple of weeks with many of our students attending excursions, our Year 7 and 9 students sitting the 2015 NAPLAN test and our students participating in our athletics carnival.

Thank you to Mr Atfield for his organisation of the NAPLAN test at our school and to the many other staff members for their assistance.

I would also like to thank our PD/H/PE staff for their organisation of our athletics carnival. As I reported previously, the carnival was held off-site this year, due to re-surfacing of some sections of our athletics track. The weather on the day of our carnival allowed students to participate in many events and generally enjoy the day. Thank you to parents who also attended and supported our students.

Our new school plan 2015 – 2017 and Annual School Report are both on our website. Please take some time and have a look at both. Our school plan is a dynamic document and will be updated from time to time.

Once again I would like to reiterate the importance of students arriving at school in the correct school uniform. Tops advertising sporting and other organisations are not part of the uniform, so please ensure that your child arrives at school in the correct attire, and provide a note if they are not in uniform on a particular day. If families are experiencing financial difficulties with purchasing the school uniform, please contact the school.

Learn About Yourself
As Marcel Proust, a late 19th Century novelist wrote: "the real voyage of discovery consists not in seeking new landscapes but having new eyes". Volunteer to host an international high school student arriving into Australia in July 2015 through Southern Cross Cultural Exchange and prepare to be amazed at the way this unique and rewarding opportunity helps your family to become closer, to understand themselves better and see the world in a new light.

Carefully selected students will arrive in July for one term, one semester or two semesters from France, Germany, Italy, Switzerland, Spain, Sweden, Norway, Finland, and Denmark. They will attend a local High School, arrive with their own spending money and comprehensive health insurance cover – all arranged by Southern Cross Cultural Exchange. To enquire about becoming a volunteer host family visit us at www.scce.com.au email scceaust@scce.com.au or call us toll free on 1800 500 501, request our international student profiles and capture the spirit of family and friendship.

Shoalhaven High School will, as a service to parents, advertise community news which may be of interest. SHS does not necessarily endorse or sponsor the events and accepts no responsibility to the management or organization.
