BioAcceleration Technology / SKINS

Scaffold of Research: Key questions to help your research

1. **Skins BioAcceleration Technology**
   - What is Skins BioAcceleration Technology?
   - Where was it developed?
   - Who wears this product?

2. **Skins & how do they work?**
   - What are Skins?
   - What are Skins made from?
   - What job do Skins perform?

3. **List all the different types of Skins available.**
4. **List 2 special features of each.**

5. **Compare 2 types of Skins**
   - List 2 types of Skins
   - Describe each Skin type.
   - List the advantages of each Skin type.

6. **Bibliography**
   - Where did you get your information from?
   - Make a list of each source
   - Remember to name the source, its author and the date it was published
